

MEMORANDUM FOR: Mr. Casey

[redacted] Washington Post, telephoned. He is doing a piece about George Bush - a profile type but more political than profile.

He indicated that the V.P. is not interested in doing it but he, [redacted], is interested in what he has done at the White House. He is talking to a lot of people and it occurred to him that you might have something interesting to say on this subject.

Said I would ask
